The Governors wish to amalgamate numerous funds into one fund "Methodist College Foundation Fund". 19 August 2022	Sch 025	The Mary Josephine Marlay Charity	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a scheme to amend purposes. The Trustees felt that it was no longer possible to carry out the purpose of the Trust as a named beneficiary was no longer operational. The Trustees evidenced that the current purpose did not provide a use for all the charity's income or property and that these could be expanded to better reflect the socio-economic circumstances of modern education whilst keeping within the spirit of the original gift.
19 August 2022	Sch 026	The Presbyterian Church Women's Fund	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a scheme to amend the dissolution clause. Trustees of 'the Fund' having reviewed their existing governance arrangements agreed that on administrative grounds, for greater effectiveness and for convenience of beneficiaries, they would seek to transfer the respective funds' properties to The Presbyterian Church in Ireland Relief Fund NIC108004 ('the Transferee'). The transfer was to occur by way of a merger. There was no suitable power available to trustees of the Fund within the scheme permitting a transfer of property to the Transferee. Accordingly, the trustees submitted an application for a cy-pres scheme.
10 June 2022	Sch 021	The McQuilken Fund	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a scheme to amend purposes for which the Fund is held in trust by widening the area of benefit and to remove the permanent endowment restriction to allow both the capital and income of the Fund to be used by the charity. The charity's governing document did not give the trustees a power to make the amendments therefore a Scheme was required to enable them to make the required changes.
10 June 2022	Sch 022	Francis Curley Charitable Fund	Administrative Scheme	Sealed scheme made by the Charity Commission for Northern Ireland under section 31 of the Charities Act.	The Commission has made an administrative scheme updating the trustee remuneration provisions. The requested change provides an uplift in trustee remuneration to a modern day equivalent based on an independent index. As the Trust Deed does not give the trustees a power to make the alterations required, the trustees have requested the Commission use its powers to make the necessary amendment.
10 June 2022	Sch 019	Governors of the Edgehill Theological College, Belfast	Administrative Scheme	Sealed scheme made by the Charity Commission for Northern Ireland under section 32 of the Charities Act.	The Commission has made a scheme to alter the trusts on which Edgehill College buildings are held, retrospectively ratify the Church's use of a section of the College buildings, transfer the remaining endowments to the Church's trustees and dissolve Edgehill Governors.
10 June 2022	Ord 302	Edenvilla Limited	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission has made an order to authorise a transaction. The charity wanted to recognise the work and commitment carried out by two long serving trustees by thanking them in the form of vouchers for the work they have carried out for the charity. Existing power within the governing document does not extend to authorise the provision of gifts to Directors for their service with the charity. Therefore, in line with the Commission's guidance, the charity requires an order to sanction the payments.
10 June 2022	Ord 301	The Royal Ulster Constabulary GC - Police Service of Northern Ireland Benevolent Fund	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission has made an order to authorise a transaction. The company's Articles do not contain a power to authorise the proposed transfer into general funds or to lift the restriction within the 1985 agreement on use of the funds. Without this power, it is not legally possible for the charity to authorise the payment itself and therefore consent of the Commission is required for the transfer and lifting of restrictions to take place.
11 March 2022	Ord 300	The Speedwell Trust Limited	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act. 23 February 2022	Ord 297	The TBF and KL Thompson Charitable Trust	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission has made an order to authorise a transaction. The charity wished to make enhanced redundancy payments to 2 staff members in recognition of their long term employment. Although there is a power of employment and a power to pay any fees, remuneration or other expenses or outgoings whatsoever in connection with the employment, it does not extend to authorise the making of enhanced redundancy payments. Therefore, in line with the Commission's guidance, the charity requires an order to sanction the payments.
23 February 2022	Ord 296	Kids Together Belfast	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act. 13 August 2021	Ord 0287	Squirrel's Associations	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission has granted a multi-transactional Order to authorise named Squirrel Drey groups to transfer all of their assets and liabilities to their corresponding Scout groups, and to provide indemnities to the trustees of the Squirrel Drey groups. Notwithstanding that the groups may already have the requisite powers in their governing documents to effect the transactions, a section 46 order is required in order to sanction the transactions where they give rise to unmanageable conflicts of interest, that is, where the trustees of both charities are the same people.

14 May 2021	Sch 017	The Presbyterian Church Widows' Fund Association	Administrative Scheme	Sealed scheme made by the Charity Commission for Northern Ireland under section 32 of the Charities Act.	The Commission has made a scheme to administer the distribution of the assets of the Association and then wind up the Association. The scheme is in keeping with the original purpose as it allows the money to be distributed as close as possible to the original intentions, despite the underfunding causing the association to cease to be viable. The Presbyterian Church in Ireland has made alternative pension provisions for its ministers and their widowed spouses which better fulfil the objects of the Association.
16 April 2021	Ord 0284	Ballymena/Ballymena & Ballyclug/ St Patrick's/Connor/ Church of Ireland	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission has sanctioned by Order under section 46 of the Act, the employment of an individual notwithstanding that the individual is a person connected to a charity trustee thus creating a conflict of interest. Whilst a conflict of interest arises from the arrangement, it is clear that the charity can manage this and that the wider present and future interests of the charity are served as a result.
16 April 2021	Sch 016	City Church Belfast	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission, in May 2019, made a Scheme to amend the charity's purposes (Sch 010). In light of the Court of Appeal judgment of February 2020 relating to the authority of staff to discharge the Commission's statutory powers, the 'decision' made in May 2019 ought properly to have been made by the Commissioners collectively or a committee formed under Schedule 1 of the Act, rather than a member of staff, making the Scheme ineffective. This scheme 'regularises' the 2019 scheme.
16 April 2021	Sch 018	Coleraine Academical Institution	Educational Endowment	Amending scheme made under the Educational Endowments (Ireland) Act 1885.	The Commission, in May 2018, approved an amending and consolidating scheme, (Sch 007) to allow the organisation to change the purposes and administrative arrangements of the scheme under which it was established by virtue of the Educational Endowments (Ireland Act, 1885). In light of the Court of Appeal judgment of February 2020 relating to the authority of staff to discharge the Commission's statutory powers, the 'decision' to seal the scheme ought to have been made by the Commissioners collectively or by a Committee formed under Schedule 1 of the Act, rather than a member of staff, making the Scheme ineffective. This scheme 'regularises' the 2018 scheme.
19 March 2021	Sch 014	The John Getty Will Trust	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission having regard to the spirit of the original gift, the desirability to apply the gift for charitable purposes which are close to the original purposes and suitable and effective in the light of current social and economic circumstances, made a scheme under section 29 of the Act, to transfer the charitable funds within the gift to the work of the Presbyterian Church in Ireland in mission in Ireland, the work of the Presbyterian Church in Ireland in global mission, the 1996 Review Fund of the Presbyterian Church in Ireland, and Belfast City Mission, as the original purpose cannot be carried out according to the terms of the Will.
19 March 2021	Sch 015	Sunshine Foundation Romania Trust	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a Scheme to amend the charity's purposes. The charity's current purposes do not reflect the true purposes of the charity and the trustees were of the opinion that the amended purposes would enable it to carry out its activities as originally intended. The charity's governing document did not give the trustees a power to make the amendments therefore a Scheme was required to enable them to make the required changes.
11 December 2020	Sch 013	Mountain Lodge Pentecostal Church	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a Scheme to amend the dissolution provisions within the organisation's governing document. Whilst the Trust Deed is charitable, the framing of the dissolution provisions creates a risk that the trustees could apply charity property for non-charitable purposes in the event of the organisation dissolving/winding up. The trustees do not have the power to effect the change required and therefore requested the Commission use its powers to make the necessary amendment.
20 November 2020	Sch 012	Bethany Church Finaghy	Administrative Scheme	Sealed scheme made by the Charity Commission for Northern Ireland under section 31 of the Charities Act.	The Commission has made a Scheme to amend the dissolution provisions within the organisation's governing document. The framing of the dissolution provisions created a risk that the trustees could apply charity property for non-charitable purposes in the event of the organisation dissolving/winding up. This is not acceptable for charity registration therefore amendments to the provisions were necessary to allow the organisation's registration as a charity to proceed. As the Trust Deed does not give the trustees a power to make the alterations required, and the use of section 127 powers is not available to them, the trustees have requested the Commission use its powers to make the necessary amendment to the dissolution provisions.
21 August 2020	Ord 0274	Victoria Housing Estates Limited	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act.	The Commission granted an Order under s46 to sanction the transfer of housing stock from Victoria Housing to Choice Housing Ireland Limited. Although Victoria Housing had the power to effect the proposed transfer without the Commission's involvement, it was considered in this case, that it would be expedient and in the best interests of the charity, for the Commission to sanction the transfer of assets. Whilst it is not the Commission's normal practice to give 'comfort orders' it was deemed necessary in this case, to ensure the validity of the actions of Victoria Housing's trustees was protected.
21 August 2020	Ord 0272	NIPSCBF	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act. 21 August 2019	Sch 011	The Causeway Memorial School Trust	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a Scheme to amend the Trust's purposes. The trustees felt that it was no longer possible to carry out the purposes of the Trust as the land and building is no longer useable by the Education Authority as any meaningful educational resource. It was evidenced by the trustees that the purposes needed to be changed to better reflect the socio-economic circumstances faced by the Education Authority and the trustees whilst keeping within the spirit of the original gift.

03 May 2019	Sch 010	City Church Belfast	Cy-près	Sealed scheme made by the Charity Commission for Northern Ireland under section 29 of the Charities Act.	The Commission has made a Scheme to amend the charity's purposes. The Church's current purposes ceased to be suitable and effective in today's society and the trustees were of the opinion that amended purposes would provide for a more effective use of the Church's property. The Church's governing document did not give the trustees' a power to make the amendments therefore a Scheme was required to enable them to make the required changes.
04 April 2019	Ord 0208	East Belfast Mission	Order to authorise transactions	Order made by the Charity Commission for Northern Ireland under section 46 of the Charities Act. 12 March 2019	Sch 009	Dorinda Lady Dunleath Charitable Trust	Administrative Scheme	Sealed scheme made by the Charity Commission for Northern Ireland under section 31 of the Charities Act.	The Commission made a Scheme to amend the administrative provisions of the Trust to remove the time limit to it. Given the continual increase in the Trust's value, the trustees felt it was in the best interests of the charity to continue the Trust and distribute income to charities rather than distribute large sums in a relatively short period of time when the Trust would otherwise cease. As the trustees did not have the power to do this, an Administrative Scheme was required.
