B10	Fundraising regulator – charities must confirm whether they raised funds from the public during the year and whether they spent more than £100,000 on generating voluntary income. If a charity has entered yes to these questions they must indicate whether they are registered with the Fundraising Regulator (FR). If they are not registered with the Fundraising Regulator and they raise funds from the public they must provide narrative on how they ensure best practice standards are applied to fundraising activities. Charities must also state whether they use a commercial fundraiser as part of their fundraising activities.
B11	Gift Aid – charities must confirm if they are registered with HMRC, entitled to claim Gift Aid from HMRC, and whether they have claimed Gift Aid relief against eligible funds.
B12	Charitable expenditure – charities must provide details on the amount of expenditure during the reporting year that related directly to activities undertaken to meet their charitable purposes. They must indicate this as a proportion of total expenditure in the period.

PART C

FINANCIAL INFORMATION

Charities with an income of more than £250,000 must provide the following details. This section requires figures which are taken directly from the charity's accounts which are then displayed on the charity's Register entry in a graphical form. The categories of information needed to complete this section will normally be found in the Statement of Financial Activities (SoFA) for accounts prepared in accordance with the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)).

C1	Resources - Income and endowments
C1.1	Donations and legacies – includes all income received by the charity that is, in substance, a gift made to it on a voluntary basis. A donation or legacy may be for any purpose of the charity (unrestricted funds) or for a particular purpose of the charity (restricted income funds or endowment funds) Includes figures for gifts and donations, tax reclaimed in amounts received under gift aid and grants. Donations and legacies is defined in the Charities Statement of Recommended Practice (SORP) at paragraph (4.31).
C1.1a	Legacies - This is the amount of legacies received that is part of the income from donations and legacies reported in part C1.1.
C1.1b	Endowments received – This is the amount of the year's donations and legacies reported in C1.1 that has been added to endowments.
C1.2	Income from other trading activities – This is the resources generated by trading activities that specifically raise funds for the charity. For example, fundraising events such as jumble sales, sponsorships and shop income from selling donated goods. Other trading activities are defined in the Charities SORP at paragraph (4.35).
C1.3	Investment income - This is incoming resources from investment assets, including dividends and interest receivable. Investment income is shown at paragraph (4.37) of the Charities SORP.
C1.4	Income from charitable activities – These are any resources arising from activities promoting the charity's purposes, for example, sale of goods or services as a charitable activity. Income from charitable trading is shown at paragraph (4.33) of the Charities SORP.
C1.5	Other incoming resources – These are the gains on the disposal of tangible fixed assets and receipt of any

	other incoming resources that cannot be accounted for in the previous categories (C1.1 to 1.4). The amount is shown at paragraph (4.39) of the Charities SORP.
C1.6	Total income and endowments — These are the total of all the incoming resources and should equal the sum of fields C1.1 to C1.5, excluding C1.1a and C1.1b.
C2.1	Expenditure on raising funds – includes the: <ul style="list-style-type: none"> - costs of generating the income from donations and legacies listed at C1.1 (for example, donations, legacies, core funding grants and gifts in kind). These costs are shown at paragraph (4.44) of the Charities SORP. - costs incurred in generating the income for other trading activities listed in C1.2 and include the cost of goods sold or services provided as part of the trade and other costs related to the trade, such as staff and premises costs. These costs are shown at paragraph (4.45) of the Charities SORP. These costs also include investment management costs which are shown at paragraphs (4.46 to 4.48) of the Charities SORP
C2.2	Expenditure on charitable activities — These are all the resources applied in meeting the charitable purposes, including amounts spent on grants, the direct provision of charitable services and a proportion of the charity's support costs which, if allocated will be explained in the notes to the accounts. They exclude the cost of raising funds to finance the activities and governance of the charity. These costs are shown at paragraph (4.52) of the Charities SORP.
C2.2a	Grants to institutions — These grants form part of the expenditure on charitable activities. The SORP defined these as being grants not made to individuals. In this context grants do not include any allocated charity's support costs. The amounts of grants paid to institutions should be disclosed in the notes to the accounts. This field is for supplementary information only.
C2.2b	Governance costs — These are the general costs of running the charity. They normally include audit costs, legal advice to trustees and costs of meeting constitutional and statutory requirements (eg trustee meetings and annual statutory accounts). Governance costs are identified as a separate component of support costs, see paragraph (8.13) of the Charities SORP.

C2.3	Other expenditure — This will rarely be used as most expenditure can be categorised under the fields C2.1 to C2.2, but where it is used, the amount will be as shown at paragraph (4.56) of the Charities SORP.
C2.4	Total expenditure — The sum of all resources expended. This should equal the sum of C2.1 to C2.3, (but excluding C2.2a and C2.2b).
C3	Other recognised gains/(losses)
C3.1	Gains/(losses) on revaluation of fixed assets — This is the amount of any change in the value of tangible fixed assets (i.e. all assets not held for investment purposes) as a result of a revaluation during the financial year. This amount is shown at paragraph (4.62) of the Charities SORP.
C3.2	Actuarial gains/(losses) on defined benefit pension schemes — If your charity operates a defined benefit pension scheme, this figure will include the actuarial gains or losses on the scheme as reported in the SoFA. This amount is shown at paragraph (4.63) of the Charities SORP.
C3.3	Gains/(losses) on investment assets — This is the total of any unrealised gains and losses resulting from the revaluation of investment assets to market value, and gains and losses realised on the disposal of investment assets during the year. This amount is shown at paragraph (4.59) of the Charities SORP.
C3.4	Other recognised gains/losses —For more information refer to paragraph (4.65). This amount is shown at row D3 of table 2 of the Charities SORP.
C4	Assets and liabilities
C4.1	Total fixed assets — These are assets held for continuing use, including tangible fixed assets such as land, buildings, equipment and vehicles, and any investments held on a long term basis to generate income or gains. These also include any heritage assets that are maintained or preserved as part of the charity's purposes or intangible assets such as patents. The total amount of fixed assets will be shown on the balance sheet and is the total of lines A1 to A4 of table 5 in the Charities SORP.
C4.1a	Fixed asset investments These are assets held for the long term to generate income or gains. This may include quoted and unquoted shares, bonds, gifts, common investment funds, investment property and

	term deposits held as part of the investment portfolio. Fixed asset investments will exclude programme related investments, shown at line A4 of table 5 in the Charities SORP. This field is for supplementary information only.
C4.2	Total current assets – This includes stock, debtors, current asset investments and cash. The amount is shown as the total of lines B1 to B4 of table 5 in the Charities SORP.
C4.2a	Current investment assets – These are assets held with the intention of disposing of them within the next 12 months. These are shown at line B3 of table 5 in the Charities SORP. This field is for supplementary information only.
C4.2b	Cash at bank and in hand – This includes deposits with banks and other financial institutions, which are repayable on demand, but excludes bank overdrafts. Cash is shown at line B4 of table 5 in the Charities SORP. This field is for supplementary information only.
C4.3	Creditors amounts falling due within one year – This is amounts owed to creditors including loans and overdrafts, trade creditors, accruals and deferred income, that are payable within one year and are shown at line C1 of table 5 in the Charities SORP.
C4.4	Creditors amounts falling due after more than one year and provisions for liabilities – This is amounts owed to creditors payable after more than one year, with provisions for liabilities and charges, and are the total of lines C2 and C3 of table 5 in the Charities SORP.
C4.5	Defined benefit pension scheme asset or liability – This is the surplus or deficit in any defined benefit pension scheme operated and represents a potential long term asset or liability. The pension fund asset or liability is shown at line C4 of table 5 in the Charities SORP.
C4.6	Total net assets/liabilities – This is the total of all assets shown less all liabilities. The amount is the net figure from the lines A to C of table 5 in the Charities SORP as net assets or liabilities, including any pension fund asset or liability and is equal to the amount shown entered in field Total charity funds of Table 5.
C4.7	Total fixed assets (at start of year) – This is the total amount of fixed assets at the start of the year and will be shown in the comparative figures of the balance sheet and in the notes to the accounts. The amount is

	shown as the total of section A of table 5 for the previous year in the Charities SORP.
C4.7a	Fixed asset investments (at start of year) – These are the fixed asset investments at the start of the year and will be shown in the comparative figures of the balance sheet and in the notes to the accounts. The amount is shown at row A4 of section A of table 5 for the previous financial year end in the Charities SORP. This field is for supplementary information only.
C4.8	Endowment funds – This is the amount of all permanent and expendable endowment funds. The amount is shown at row D1 of table 5 in the Charities SORP.
C4.9	Restricted income funds – This is the amount of all funds held that must be spent on particular purposes of the charity. The amount is shown at row D2 of table 5 in the Charities SORP.
C4.10	Unrestricted funds – This is the amount of all funds held for the general purposes of the charity. This will include unrestricted income funds, designated funds, revaluation reserves and any pension reserve. The amount is shown in row D3 of table 5 in the Charities SORP.
C4.10a	Designated funds – This is the amount of unrestricted funds that have been set aside for a particular purpose by the trustees. This section is supplementary to C4.10 and is optional.
C4.10b	General funds – This will include unrestricted funds, revaluation reserve and any pension reserve. This section is supplementary to C4.10 and is optional.
C4.11	Total funds – These are all funds shown on the balance sheet and comprise endowments, restricted income and unrestricted funds. The amount is shown as the total of section D of table 5 in the Charities SORP and is equal to the total net assets or liabilities shown at C4.6.
C5	Additional information – The information necessary to complete this section will generally be found in the notes to the accounts.
C5.1	Support costs – These are costs which, while necessary to deliver the activity, do not themselves produce activity. They include central office functions of the charity and are often apportioned to activities. The amount shown here is the total amount of support costs (for charitable, fundraising and governance activities) included in the resources expended. This amount will be shown in the notes to the accounts if it is significant.

C5.2	Depreciation charge for the year – This is the amount of depreciation on tangible fixed assets (including impairment charges, if any), which will be shown as the charge for the year in the tangible fixed assets note to the accounts.
C5.3	Level of reserves – The level of reserves is calculated in accordance with paragraph 1.48 of Charities SORP and is stated in the trustees' annual report.
C5.4	Prior period adjustments – This is the amount the financial statements have been adjusted (if at all) in relation to accounting for a prior period.
